there is an Exide call right now in Kathleen Salyer's office, just EPA and DTSC. I am calling in from home. I didn't mention it to you, thought it was primarily technical discussion with staff, but it turns out Tom Huetteman, Barbara Gross, and John Lyons are there, as well as Kathleen S obviously. Technical-wise, Tom Dunkelman, John Hillenbrand and Sofie Serda are there.

it was scheduled 9- 10, though we tacked on some time between 8:30 and 9 for a few extra questions.

I'll let you know any outcomes.
